

# UGC Sadie Hawkins' Day And Dance Big Success

# Soph Show This Morn; Hilarious Time Assured

Wearing traditional Dogpatch clothes, students of Salinas Junior College turned out in full force for the Sadie Hawkins' dance which was held last Friday night in the Student Union. School spirit was really in evidence as the students enjoyed themselves thor-

oroughly as they danced to the music of Laurie Jacobsen and his cut-down-to-size orchestra.

The program included Hal Kirkpatrick singing songs, an ensemble composed of Eddie Wark, accordion; Pat Massey, guitar with Shirley Correia, ukulele and voice.

Earlier in the day the Sadie Hawkins' Day race was held on the front lawn with men students and teachers alike being

chased by the coeds of the school. Excellent example of the chase was Mr. John H. Murrin who was pursued by the gals and was finally brought to the ground and kissed by those concerned.

The Sadie Hawkins' Day was under the direction of the Upsilon Gamma Chi, and the committees were as follows: General chairman, Bessie Cominos; decorations, Merrie Case; and the clean-up committee was composed of the Gamma Nu pledges.

Today at eleven the Soph class will present their annual show in the Little Theater. Jim Armstrong will be the master of ceremonies at the affair, which promises to be a hilarious one with several skits, musical and dance numbers, and, in general, a complete variety show of fun and laughs.

The program for the affair is as follows:

Opening chorus, "Ta-ra-ra Boom de Aye by the whole company.

Car Skit, with 12 girls participating.

Monologue, Bettie Moore.

A Cappella, 11 girls will present vocal numbers.

Skit, "And the Lamp Went Out," Cole, Heple, McGill, Goerling, Armstrong.

Piano solo, Frances Phillips.

Dancing class, McGill, Werner, Armstrong, Whitcomb.

Truth or Consequences, with members of the faculty participating.

Can-Can Girls.

Skit, Whitcomb and Werner.

Book report, "Forever Amber," Merrie Case.

Skit, "If Soldiers Selected Their Clothes as Women Do," McGill, Armstrong.

Closing Get Them Out—Star Spangled Banner.

An admission price of ten cents will admit anyone. The proceeds will go toward the class gift fund, so everyone come.

## Thinking It Over

By MARY SOMKY

Comes the question of assemblies. The attendance at several recent assembly programs at jay-see hasn't resulted in a capacity filling of the Little Theater as the persons in charge have a right to expect.

Assemblies are given for the benefit and enjoyment of the students, regardless of whether the various programs are in the form of lectures, music concerts, dramatic entertainment or other types of programs.

Much preparation is made for any presentation before it is given for the students. Naturally all students are expected to attend in return for the arduous work and long hours spent in preparing the program.

Being blunt, one can say, "Do you want frequent assembly meets, or don't you?" A complaint may be issued that they aren't worth while, that no interest, no value, is supplied. This may be true in some cases; there may be an occasional snag in an assembly production, but generally, most J.C. programs have been sure successes.

The only way to prove this is to attend regularly and judge for yourself. Assemblies are a form of entertainment for you, either presented by you or by some worthy individual, who planned a program solely to enlist your attention and interest. A sched-

## Students Prepare Easter Seals For Annual Sale

Students of Salinas Junior College are helping with the Salinas 12th Annual Easter Seal sale which will soon be held under the sponsorship of the Salinas Easter Sale committee in Salinas.

Classes at Salinas J.C. are preparing the Easter Seals so that they can be sent to the citizens of Salinas. Classes in typing, filing, physical ed. and sewing all are participating in the drive. The work consists of addressing, filling and stamping the 5,000 envelopes.

The Easter Seals are sent out every year, and the money from these stamps helps many needy and neglected crippled children, gives them medical care, educational guidance, vocational and occupational training, promotes research in the field of the cerebral palsied child, and provides skilled help to guide the handi-

(Continued on Page 3)

## Collection

### Students Urged to Contribute To Clothing Drive Next Month

The United National Clothing Collection for War Relief is sponsoring a drive to get 150,000,000 pounds of clothing for needy war refugees. This will be a nationwide spring clothing drive, and it will run from April 1 to 30. The different agencies of this organization will attempt to collect the maximum quantity of good used clothing possible, to distribute to the needy and destitute men, women, and children in war-devastated countries.

Mr. Henry J. Kaiser has been appointed by the President to act as national chairman. Mr. Kaiser will direct a national committee composed of representative national leaders in civic groups, industry, labor, education and religious groups.

Salinas Junior College, under the sponsorship of either the men's or women's clubs, will ask the students to aid in the job of clothing 125,000,000 liberated people. Of this number, 30,000,000 are children.

The type of clothing asked for is good substantial used clothing for both winter and summer wear. It need not be perfect, but it should be useful. Evening dresses, tuxedos, and dress suits CANNOT be used.

The most urgently needed are infant garments of all types but particularly knit goods. Next in importance are men's and boys' garments. Work clothes, overcoats, topcoats, suits, gloves, robes, sweaters, underclothing, jackets, shirts, and pajamas, are all urgently needed.

# Second Group of Prints On Exhibit Next Week

By DOROTHY MIZE

Notice is given to all students and faculty, that due to the lack of space in the Little Art Gallery, only half of the present exhibit of famous prints was shown this week. Beginning next week, the other half will be presented.

The exhibit is composed of prints by the artist members of the Prairie Print Makers of Santa Fe, New Mexico. The taste of composition and design is exquisite in every way. Many of them are drawn by eminent artists, some of whose works have been presented here at Esjaysee before.

The ones on the East Wall are perhaps the best known, done by artist Howard Cook. He is noted exclusively for his etchings and murals. Recently he did an article for the Collier's Magazine with drawings of the South Pacific area.

The "Village Church" on the North wall by William Dickerson is excellent and contains marvelous spiritual beauty. Just by looking at it one can tell just what the artist has tried to express.

Alan Crane has a marvelous selection of works there. His one entitled the "Janitzio Fishermen" is full of lifelike beauty and is shrouded by simplicity. Any minute you have that feeling that they will be able to speak to you. "The Rockport Centennial" on the North wall was so magnificent that your reporter heard someone remark: "I'd like to live there."

But last and not least we come to the magnetic portrayal of a "Navajo Burial," by Arthur Hall. The splendor of this print leaves a refreshing imprint on one's mind.

And then there was the moron who ate flower seed so he could be a blooming idiot.

# S.J.C. G.I.

Home from boot camp for his seven-day leave is Dick DeMattos, son of Mr. and Mrs. Edward DeMattos. Dick graduated from Salinas High School in June, 1944, and attended S.J.C. prior to his enlistment. He will report back to San Diego for reassignment.

Lt. John A. Struve, son of Mr. and Mrs. Henry Struve of Salinas, has arrived at an air force station in England according to word from the U.S. Headquarters in Europe. Prior to his enlistment in the air corps, Lieutenant Struve was a student at J.C.

Charles C. Brewer, Jr., was commissioned a second lieutenant after arriving overseas, according to word received by his parents. He attended J.C. in 1940.

Lt. Col. Delmore Wood has been transferred from Phoenix, Arizona, to Salt Lake City, as an executive officer of the correction division with the service command. He attended J.C. from Pacific Grove in 1938.

Pvt. Norman McMahon, Jr., of Carmel was awarded the Distinguished Unit Badge last December 25. The award was granted in recognition of outstanding services rendered by the 67th Bombardment Group on February 22, 1943, at Kasserine Pass, where Allied positions were overrun by the enemy. It is the highest organizational award bestowed by the U.S. Army.

## No Egg Hunt

The Easter Egg hunt and roll planned for the afternoon of March 23 has been called off, it was announced by the commission this week. Lack of time to prepare for it and the scarcity of eggs results in the necessity of cancelling the affair.

"This is a grave error," remarked the corpse as he was being lowered into the wrong hole.

## OLD FILES

### THREE YEARS AGO—

Three years ago today Dr. Suzanne Englemann, a refugee from Germany, addressed the student body on "Experiences Under the Nazi Regime."

It was announced by the social activities committee that the annual Spring Prom would be held at Del Monte on May 1.

Coach "Tiny" Hall's boxing team was to meet San Francisco J.C. in 10 bouts in the local gym.

### TWO YEARS AGO—

Two years ago Alpha Delta Epsilon was sponsoring an exhibition of original cartoons by Eldon Dedini, a former S.J.C. student.

Camp Roberts basketball team defeated S.J.C., 63 to 48, in the Panthers' last game of the season.

Outstanding soloists of the Music Department presented a program to the Salinas High School.

### ONE YEAR AGO—

One year ago today the student body sponsored a dance with a St. Patrick theme.

The Freshman class had a meeting conducted by Frosh president Fred Bowles and decided the date for the annual Mascarani to be March 24.

S.J.C. coeds played a basketball game with WACs from the local air base. The final score was S.J.C. 19, WACs 6.

## Exam

### Army Test Given Here on April 12

Young men whose seventeenth birthday falls between October 1, 1944, and August 31, 1945, are eligible to take the Army Specialized Training Reserve Program test to be given Thursday, April 12, at 9 a.m., at S.J.C.

Its purpose is to enhance the student's value to the army by instruction in an academic curriculum of subjects selected for their importance to the army. This curriculum includes college courses in English, Geography, History, Physics, and Mathematics. These are supplemented by a program of physical and military training.

Applicants must be of the above-mentioned age, be a citizen, have his parent's consent, pass the test with a qualifying

## Lt. Baker Killed

2nd Lt. Vernon C. Baker, 23, of Watsonville, was reported officially this week by the war department as having been killed in action June 10, 1944, in the European area. He had previously been reported missing over Romania last June. He was the son of Mr. and Mrs. Carl A. Baker.

A native of Reedley, Lt. Baker graduated from Watsonville High School in 1939. He attended J.C. where he took aeronautics and pilot training. He was an active member of DeMolay, of which he was past councilor and a member of the Masonic Lodge of Watsonville.

Lt. Baker enlisted in July, 1942, and was called for training the following February. He trained at Santa Ana, Tulare, Marana, and Luke Field, Ariz., where he was commissioned as a second lieutenant as a pursuit pilot, in December, 1943. After being stationed at Mills Field, Marysville, and Santa Maria, he was sent overseas in April, 1944, with the 15th Air Force based in Italy.

## 'C' AVERAGE REQUIRED FOR A.A. DEGREE

Commencing with the new college year in the fall semester of 1945, Salinas Jaycee students must maintain a "C" average to qualify to receive the Associate of Arts degree from this college.

Any candidate for graduation who has completed the regular number of units but who has not made a "C" average will be given a diploma but will not receive an A.A. degree.

To acquire the degree, students must have a grade point average of 1.00 or higher. Those with a grade point average between 0 and 1.00 will receive a diploma.

Grade points are counted as follows: A, 3; B, 2; C, 1; D, 0; F, 0; minus 1.

Since the new "C" average ruling was established at the college this year for the first time, it will not affect the present Sophomore candidates who anticipate graduating this June.

~~~~~  
score, and enlist in the E.R.C. before he will be accepted for training.

Complete details for the examination may be found on the bulletin board.

EYE

SPY

By PHYLLIS GEORGE

Yep, we-uns was all there! . . . At the Sadie Hawkins' dance last Friday evening, of course! All the localites arrived either a'totin' men-folks or a la stag to have one of the best times of the college year. BARBARA HEPLER and DEX WHITCOMB didn't wear their store-bought shoes, instead they wore perky little bows situated on the big toe of the right foot! JERRY COLE was completely dressed up, with his patent-leather shoes and cut-away coat! Also, tripping 'round to the music of HOOTCH JUG JACOBSEN and the other three boys who got away from the "revenooers" were MARY FLEMING and KEITH DAUGHERTY (who, incidentally, doubled on the trombone during some of the numbers); DICK LINDSAY and JANICE SMITH; MARCELLA RAFFANTI and "Louie" (Whee!); WILLIE FITZ; BUSTER HOUSE and JOY MEL-ROSE; WILMA ANDERSON and EDDIE WARK; plus piles of service men with such gals as RUTHIE GOERLING, MINA HICKS, RENE HICKS, BEV PHUGET, and others. Stag women included many former studes.

Hysterical event of the evening happened when MISS JUNE HANDLEY arrived and was not recognized in her Dawgpatch garb. Also, last but not least, was the confusion and riot caused by JACKIE BIAVARDI and blondie GLENN ECKMAN with their unique type of dancing. Hurrah! Complete with corncob pipe and skirt held up by rope. BIAVARDI kept those around her constantly in laughter with her "Aw, come on, hold ma' skirt up, be a sport!" Then, there is the question of PAT MACEY and GABBY CAMPUS, that everyone is wondering about!

QUESTIONS OF THE WEEK: Why does IRENE "Southern Fried" PARKINS wear JERRY PARKER'S I.D. bracelet? Also, what has happened to VELMA POWELL'S "Johnny"?

One of the first students to enter Esjaysee under the G.I. Bill of Rights is John Bruce, formerly of the navy. Bruce is now living with his wife on Clark Road in Salinas, on a little ranch. Originally he is from Tennessee, a fact easily detected when talking to him. He decided to come to J.C. simply because his buddy aboard ship was always talking about S.J.C. in connection with his home town, which is San Luis Obispo, with whom, before the war, Esjaysee had a great basketball rivalry. John served overseas for three years and six months, after joining the navy on June 4, 1940. He has done much work as a musician for many years, and as quickly as he is accustomed to college times and work, he will take up his music again. At present, he is a special student, studying chemistry, political science and hygiene.

HAL KIRKPATRICK arrived at SADIE'S dance minus MARIE O'MERA, but made the women swoon with his rendition of "Deep in the Heart of Texas." After said event, BESSIE COMINOS again opened her recreation room for "afterstuff."

'Sall for now! Adios mis amigos y mis amigas!

## Wardle Defeats Melrose in Ping Pong Play-off

In the final play-offs of the W.A.A. Ping-Pong Tournament, Ronald Wardle, the top man of the men's tournament, defeated Joy Melrose, representing the

women, in a match (to decide who the champion ping-ponger was to be). After two hard-fought well-played games, Ron Wardle came out on top, taking both the matches, deciding the finale early by scores of 21-18 and 21-15.

Joy Melrose emerged the winner in the women's division by defeating Margaret Williams, 21-11, 21-6. Phil Trine and Ronny

## Program Monday By Deputations Group

Monday, March 19, will be the first appearance for this year's deputations committee at a "break-in assembly" in the J.C. Little Theater before the actual tour. The first communities where the group will appear are Monterey and Pacific Grove on March 21. Next are King City and Gonzales, April 3; Salinas High School on April 11; and Watsonville and Santa Cruz, April 27.

Complete committees are yet unnamed, but in the gymnastics group are: Lynne Kastor, Zeo Wheeler, Marie Binsacca, Velma Powell, and Merrie Schrader. From the Public Speaking department is Irene Parkins. Names from the Music department are not yet available.

## One Week For Easter Vacation

Salinas Junior College will adjourn for a period of one week this year for Easter vacation, thus departing from last year's three-day holiday idea.

Classes will be dismissed Friday afternoon, March 23, and will resume again Monday morning, April 2, following the Easter holidays, it was announced by President John B. Lemos this week.

## Thinking It Over

(Continued From Page 1)

uled hour for an assembly is set aside virtually every week.

It should not be necessary to have roll taken by faculty members during the program as they were once compelled to do. Students should realize the advantage of attending assemblies where they may gain further knowledge or enjoy a diversion from routine classes.

## Easter Seals . . .

(Continued From Page 1)

capped youth seeking employment.

The Salinas committee for this sale includes George C. Taylor, chairman; Axel P. Holm, treasurer; Claud Addison, secretary; Paul L. Pioda, Hope Baxter, Dr. Wiley Reeves, Raymond Shelloe, Dr. John C. Sharp, Myrtle Wells, Roland Tavarretti, M. B. Young, Walter Phillips, Harry L. Noland, and Felicia Whyte.

Wardle staged two close games, which Wardle finally managed to take and keep the lead, 24-22, 23-21. This match was about one of the closest in the whole tourney.

## Ex-Staff Member Weds Navy Man

Betty Hauswirth, former student at Esjaysee, was married on Sunday afternoon March, 4, to Petty Officer 1/c Donald J. Scranton.

Best man at the affair was Betty's brother, Robert A. Hauswirth, and maid-of-honor was Nanska Sharp. Guests gathered at the Union Street home of the bride's parents for a reception and buffet dinner following the ceremony. The couple left soon after the ceremony for a honeymoon at Robles Del Rio.

The bridegroom has two weeks of his 30 days' leave remaining, after which he will report for further assignment at Alameda. He spent eight months of war duty in the Pacific war theater prior to his return.

Betty was popular at Esjaysee and was a staff member of The Panther Sentinel. Her many friends all join in wishing her the best of happiness.

## Jr. Soroptimists Enjoy Luncheon At Santa Lucia

The members of the Junior Soroptimists Club enjoyed a very good talk by Mrs. Anne Fisher at the annual spring luncheon given by the junior club at the Santa Lucia Inn, yesterday. Mrs. Fisher spoke on the early Salinas anecdotes.

Transportation to the inn was furnished by the club, and half of the luncheon fee was paid by them. Only those girls, however, that had paid their 25-cent semester dues were eligible to attend. Special guests at the luncheon were President and Mrs. Lemos, Dean June Handley, and the advisor of the club, Miss Faith Fraser.

The decoration committee consisted of Blossom Barr, Irene Pimentel, Norma George, Ruth Sanders, Wilma Berkebille, and Martha Price.

## Executives Meet

Revising their constitution was accomplished at the short executive meeting of the Alpha Delta Epsilon, Esjaysee's Art Club, on Monday, March 12, in the Art room. Virginia Turano and Gabriel Campos were elected to the executive board.

# J.C. Track Outlook Good; Strength in Many Events

Track prospects for the season seem to be very bright this year at this early date in the season. Several of the fellows are credited with holding school records from their high school days.

In the sprints the Panthers boast three fellows who seem to be matched in the events. They are Bob Work, Jerry Cole, and

George Cholovich. These three fellows run the 100-yard dash and the 220-dash. All three of them have run under 10.6. In the hurdles there is Wellington Smith,

who has been officially clocked in the 120-highs at 15.6.

In the field events several men stand out. In the high jump there are four men who seem to have better than average talent. They are Bob Work, whose highest jump was 5 feet, 10 inches. Wellington Smith has also done 5 feet, 10 inches; Buster House has already jumped 5 feet, 8 inches this year; Ken Collins has hit 5 feet, 7 inches. Bob Work's effort in the broad jump is better than 21 feet, which will place him in any meet.

This was their biggest defeat, the final score being 82-41. Scheduled also for that week end was a contest against Grant J.C., and the Salinas team continued in a slump, losing 62-45.

Back home again to familiar surroundings the Panthers took to the court as a prelude to the Harlem Globetrotters and defeated the 18th Armored Division, 56-40.

Once more the Panthers went out of town to play; this time they met the San Mateo varsity and lost, 57-38. And again the Panther team was to be hit and hit hard. Dean Dillingham, who thus far in the season had earned the distinction of being high-point man; Sammy Garcia, another valuable forward, left for the army air corps.

The Panthers traveled to Pacific Grove, a return match; along with the rest of us they were hoping for a repetition of

## OFF THE MOUND

By ANN CASATI

This is a second in a series of reviews of former athletic accomplishments on the Esjaysee campus as dated back to the fall of '39 and spring of '40.

The intramural program was hitting a new high back in '39. Gerald Hansen, an outstanding tennis player, won the final round of a ping-pong tournament in which over thirty persons participated. For this feat Jerry received a gold medal. Other medals were awarded to the runners-up in the tourney. Veteran cinder men Harold Davis, Doug Flautt, Melvin Sanders, Ed Wesley, Merritt Davis, Jerry Conrow, and Karl Fitzgibbons were practicing every Tuesday and Thursday for the cross-country run of three miles. The winner of this event received as reward a turkey. A few issues later on, told of the results. Jerry Conrow, Pacific Grove lad, dined on turkey, while Wesley and Davis were satisfied with fruit and rabbit respectively. The race began with the boys running around the track once, and then on to Washington School, and then down the Blanco Road, finishing the last lap.

There was an inter-bus volley ball tournament with the Salinas, King City, Pacific Grove, Watsonville, Santa Cruz, Morgan Hill, Gilroy, and Carmel bus groups competing. New horseshoe courts were constructed behind the men's gym and Bill Cavalli was leading in the second round.

Football coach Bud Winter and his assistant, Ed Adams, molded former high school stars into a working team. At the end of the season this outfit was known as the greatest team in the jaysee history. They won six games, lost one, and drew two ties, and also drew a tie in the Northern California Junior College Conference, along with Santa Rosa and Placer. For the second consecutive year the Panther eleven remained undefeated at home. Only San Jose State and Santa Rosa were able to garner an even score. A powerful line was formed. These linemen cleared the way for the powerful backs. New stars were brought out in each game. Meeting the Santa Barbara State Frosh in the Lettuce Bowl the Panthers claimed them as their first victim, 24-0. The backfield and line worked in complete unison. Forty-six men saw action on the turf in this initial contest. San Jose State Frosh came next, and held the Salinas men to a tie. The Salinas-Reedley game was battled out in a sea of mud, with the local team finally nosing out the visitors, 12-7. Meeting the Porterville eleven in the home stadium the Panthers battered their opponents to a hapless 33-0 score. The Maroon and Gold traveled to Marin for their first league game. They found the going tough, and it seemed to be just the impetus to set them going, for they won, 27-6.

Armistice night 5,000 fans came to the bowl to see one of the better league games—jaysee and Menlo. The Panther line could not be beaten. Salinas came from behind to win, 6-3.

## REVIEW OF CAGE SEASON IS CONCLUDED

(Continued From Last Week's Panther Sentinel)

Returning home from the Mosto tournament the varsity met the Salinas Air Base once again and were defeated, 41-30. Two days later the Panthers met the Pacific Grove teams in the college gym. The jayseers were out to win and win they did, taking the lightweight contest, 14-9, and defeating the varsity, 45-20.

The Panthers next met the Watsonville Naval Air Base team in a home contest, and lost, 35-31. The next game was a return match with the Toreadors. Hoping to even up the score and take both this time, the Panthers lost two contests to the fast Monterey teams.

The Salinas teams were due for another win, and with this in mind they took on the Gilroy teams on the jaysee courts. Playing the kind of ball that usually makes for winning games, the varsity and jayvees outscored and outplayed their competitors. Final scores were: varsity, 53-35, and lightweights, 34-19. The jayvees, though, were not on easy road yet, for in their next game against the Salinas Cowbabs they took the small side of a 30-17 final tally. The Salinas varsity fared better and it seemed that at last the jinx was broken. They took their game, 59-32. But this victory was shortlived, for their next tilt was scheduled against Sacramento J.C., with the Panthers doing the traveling.

### Horseshoe Tourney

Sign-up for the horseshoe tournament will be held for those who will wish to enter the contest. The paper will be posted on the main bulletin board beginning next week, and the actual contest will be run off the week following vacation.

their former meet. The P.G. cagers were the top teams in the C.C.A.L. standings, and when both contests were over, their records had not been marred, for they had won the varsity fray, 40-35, and the lightweight game, 23-19. But in both competitive and league play the Panthers were still the only team to have once made the P.G. quints bow before them, that being in their first game, before the official league opening.

Playing their last home game of the season, the Panthers played their Saturday night tilt against San Mateo, and hit the canvas at 51-34.

The jayvees were to feel the loss of Bobby Boles, who left for Uncle Sam's team just before the last game of the season, that being against Gilroy. Jaysee jayvees lost, 39-31. The Panther varsity won their last game, defeating Gilroy, 51-35.

# Panther SPORTS
